

SuperQuery (Evalux) Ltd. Privacy Policy

Last Updated: June 25, 2017

Superquery (Evalux) Ltd. ("**superQuery**", "**We**", "**Our**" or "**Us**") provides this Privacy Policy (along with Our Terms of Use) to inform any person (and or/entity and/or anyone on their behalf), uses Our internet website (the "**Site**"). This Privacy Policy details Our policies and procedures regarding the collection, use and disclosure of personal information we receive from Users in order to use Our Services. The Services constitute a big data management solutions website (the "**Services**"). Your privacy is always a top priority for us. This Privacy Policy applies only to information that you provide to us through the Services.

We reserve the right to amend this Privacy Policy at any time at Our sole discretion. We will inform users of the Services of any such amendments to the Privacy Policy by posting an updated policy on the Site. For the purposes of this Privacy Policy, users include anyone who accesses or registers to Our Services (together, "**User**" or "**Users**"). IF YOU DO NOT ACCEPT THE TERMS OF THIS PRIVACY POLICY, YOU MAY NOT ACCESS OR USE THE SERVICES.

Information We Collect

Personally Identifiable Information

During your use of our Services, we may collect certain information from you, including your first and last name, your address, a functioning email address where you can be reached, a mobile phone number, a password of your selection and computers files and data ("**PII**"). We may not, and do not, require a User to disclose more information than is reasonably necessary to access and use Our Services. Users are not required by law to provide such information, but must provide it if they wish to become a registered User of the Services. Registered Users may change personal information by logging in to their account. If a User does not provide certain PII to us, then we may not permit that User's registration to Our Services.

Cookies

We may automatically collect information using "cookies." Cookies are small data files stored on your hard drive by a website. Among other things, cookies help us improve our Site and your experience. We use cookies to see which areas and features are popular and to count visits to our Site. If you do not accept cookies, however, you may not be able to use all portions of the Site or all functionality of the Services.

Communications

Users may review, update, correct or delete the PII in their account by contacting us. If you completely delete all such information, then your account may become deactivated. If you would like us to delete your record in our system or stop sending you any information please contact us at support@superquery.io with a request that we delete your PII from our database. We may retain an archived copy of your records as required by law or for legitimate business purposes.

Other Websites and Third Party

This Privacy Policy applies only to the Site and the Services. The Site may contain links and references to websites of others. We may, from time to time, at Our sole discretion, add or remove links to other websites. These links are provided solely as a convenience to you, and access to any such websites is at your own risk. We may present links in a format that enables us to keep track of whether these links have been followed. In addition, third party companies and individuals which we use to perform our Services and other websites may place their own cookies or other files on Users' computers or collect data or solicit PII directly from Our Users. We do not review, approve, monitor, endorse, guarantee, warrant, make any representations with respect to, nor are We responsible for, such links or websites. In no event We will be responsible for the information contained in such links or websites, their practices or for your use of or inability to use such links or websites or their services, or transmissions received from such

sites. BY USING THE SERVICE, YOU EXPRESSLY RELIEVE US FROM ANY AND ALL LIABILITY ARISING FROM YOUR USE OF ANY THIRD-PARTY WEBSITE.

We do not sell, trade, or otherwise transfer to outside parties your PII, unless we provide users with advance notice. This does not include website hosting partners and other parties who assist Us in operating Our Site, conducting Our business, or serving Our users, so long as those parties agree to keep this information confidential. We may also release information when its release is appropriate to comply with the law, enforce our site policies, or protect ours or others' rights, property or safety. However, non-personally identifiable visitor information may be provided to other parties for marketing, advertising, or other uses.

Other websites may follow different rules regarding the collection, use or disclosure of PII that you submit. PII that Our Users provide to those other websites may be sent to us in order to enable Our Users' use of the Site. We process such information in accordance with this Privacy Policy. Other websites may have different privacy practices. We encourage Users to read the privacy policies and other terms and familiarize themselves with the privacy practices of the other websites before using their services.

Use of Information We Collect

We may collect, store and use information Users provide to us on Our Site to:

- enable Users to log-in into the Site;
- ensure all Users follow Our Terms and Conditions and other rules and policies;
- ban a User temporarily or permanently for failure to follow Our Terms and Conditions, rules and policies, or for other misconduct or inappropriate behavior;
- respond to questions and comments from Users;
- provide Users with newsletters, updates, and other materials related to the purposes of the Site, or with information or offers from us or third parties that we believe Users may find useful or interesting;
- improve the functionality, design and quality of the Site;

Service Providers and Other Third Parties

We may share non-personally identifiable information with third parties for industry analysis and other commercial purposes, or to deliver targeted advertising about other products and services. No such non-personally identifiable information that we provide to third parties will contain PII. It is important to note that we allow third party behavioral tracking.

Compliance with Laws and Law Enforcement

We cooperate with government and law enforcement officials and private parties to enforce and comply with the law. We may disclose any information about Users, including PII, to government or law enforcement officials or private parties where we are required to do so by law, including, but not limited to, in response to a court order. We may also disclose PII in response to a request by a law enforcement agency or other public agency or if we believe such disclosure may prevent or mitigate the threat of crime or harm to Users or others, facilitate an investigation related to a User's safety or public safety, protect the security or integrity of Our Site, or enable us to take precautions against liability. This Privacy Policy will be governed by and construed in accordance with the laws of the State of Israel, notwithstanding choice or conflict of laws issues. If for any reason a court of competent jurisdiction finds any provision or portion of this Privacy Policy to be unenforceable, the remainder of the Privacy Policy will continue in full force and effect.

Email Messages

superQuery collects email addresses to send information, offers, advertising and also in order to respond to inquiries, or other requests. superQuery will not use misleading or false information in the content of those emails, and it will be reasonably identifiable as advertise, as the case may be.

International Transfer

Your information may be transferred to, and maintained on computers located outside of your state, province, country or other governmental jurisdiction where the privacy laws may be different than those in your jurisdiction. Your consent to this Privacy Policy followed by your submission of such information represents your agreement to that transfer.

Security and How We Safeguard Information We Collect

The security of Users' information is highly important to Us. We have put in place appropriate security systems designed to prevent unauthorized access to disclosure and use of information Users provide to us. These systems are structured to deter and prevent hackers and others from accessing this information. Due to the nature of Internet communications and evolving technologies, however, we cannot provide, and expressly disclaim, any assurance that the information provide to us will remain free from loss, misuse, or alteration by third parties who, despite Our efforts, obtain unauthorized access. In addition, We work to protect the security of your information during transmission by using Secure Sockets Layer (SSL) software, which encrypts information you input.

Inadvertent Disclosure of PII

You acknowledge and accept that, despite our efforts, there may be times or situations when your PII is inadvertently disclosed by Us or by a third party to whom we have disclosed Your PII. You hereby accept that risk and waive any and all claims, causes of action, damages and liability against Us in the event of inadvertent or negligent disclosure of PII.
